THE HUNGER GAMES

PRINCE ALBERT DIVISION

The 2nd Annual COP's Vrs CADETS HUNGER GAMES is to be held in Prince Albert to raise funds and food for the PA Food Bank on **December 18th, 2024, from 5:30 until 9 pm** at the PAGC Urban Services Gym (Former Margo Fournier Center).

This event started back in 1998 when the original First Nations Cadet Corps in Saskatchewan held a fund raiser event where they challenged the local RCMP to a competition night. The Prince Albert Division and the Sturgeon Lake Division of the First Nations Cadet Corps (FNCC) have taken this on now and have expanded to include other Police Agencies, First Responders and other organizations.

Each organization participating is challenged to raise as many funds as possible or food items to give to the Food Bank for Distribution to needy families this holiday season. Harolds Family Foods have once again partnered with us to create hampers for purchase to be provided to the Food Bank on behalf of that donor. The donor can identify which organization (Team) that that they want these donor points to go towards to help them possibly win the Christmas Spirit Trophy this year. (Food item costs are estimated to determine points) **HOW TO DONATE SHEET IS ATTACHED**

Harolds IGA will deliver these hampers to the food bank and even if you want to make a \$5, \$10 or any donation, this can be done at Harolds Family Foods. This will be used to purchase items to compliment or required for preparation of some food items (Milk, Margarine etc) or for items identified as a need by the Food Bank

Once again this year there will be 2 major trophies.

Christmas Spirit Award – The organization that raises the most in funds and/or food items for the PA Food Bank. (Last Years Winner – **First Nations Cadet Corps – Sturgeon Lake Division**)

Hunger Games Competitions Winner – Most Points Earned – (Last Years winner – **Parkland Ambulance**)

Teams are asked to wear gym wear or T-Shirts that represent their organization. This will assist the cadets in identifying those who work in that field in case they have questions or are interested in that career.

COMPETITION EVENTS

VOLLEYBALL – Min of 6 Players – Guaranteed 2 games (Points are determined on where you finish)

BASKETBALL RELAY – 6 Players – Competitors will start at the whistle and must dribble from one end to the other, make a basket and back to their starting point and make another basket. They then pass it off to the next player and continue until all 6 have completed the task.

VOLLEYBALL VOLLEY – 6 Players – Six Players will make a circle, and the ball will be kept in the air by either bumping or setting the ball to another player on their team. The total number of times contacted (or kept in air) will be counted and the highest number will be considered the winner with the others earning points based on their standing within the competition. Each team will be given 3 attempts to get the best score possible.

BLIND RELAY - 2 People – One person will be blindfolded and will be required to go through a course and retrieve and return items to their base. This person will be guided by one teammate who will be shouting out commands/directions.

PLANKING COMPETITION – One Male and One Female per team – Competitors will assume the Plank Position at which time the timer will start. This will continue until the last person drops. The longer the person holds out, the more points they will get.

TIE-BREAKER

In the event of a tie, the competing teams will choose 2 players. They will stand 4 feet apart and toss the egg to their partner. Each time the egg is caught, one person will move back one step. This will continue until a winner is determined. (we may just have each team also compete for fun)

This event is open to everyone to attend and if you wish to bring non-perishable food items, warm clothing items or any other donations, it will be greatly appreciated, and we will make sure it gets to those in need.
